

WHAT COULD I WIN?

- Fame: Unlimited bragging rights and an item for your resume
- Fortune: The Grand Prize is a trip to the IEEE conference of your choice, anywhere in the world

NOT AN IEEE MEMBER?

- If you are not a student member, you can join both IEEE and IEEE Computer Society for US \$35 or US \$40, depending on location.
- Current IEEE Students members can add IEEE Computer Society Student Membership for just US \$8

www.computer.org/students

REGISTRATION DATE

- Registration for the competition will be open from **16 August 2016**. Make sure to find your Proctor.

IEEE Xtreme@ieee.org

IEEEExtreme is a 24-hour online coding competition, within which a worldwide community of college and university students enjoy an engaging set of unique programming challenges.

WHO CAN COMPETE?

- Teams of up to three collegiate students who are current IEEE student members
- A local college or university may form multiple teams

WHERE IS THE COMPETITION HELD?

- IEEEExtreme is a virtual event, but teams often organize around their local IEEE Student Branch

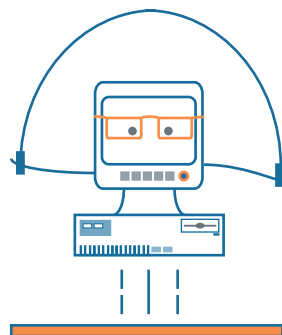

IEEEExtreme Practice Community

Now you can practice your programming skills on the HackerRank platform.

Students have the opportunity to look into the code submission process and test compiler.

www.hackerrank.com/ieeextreme-challenges

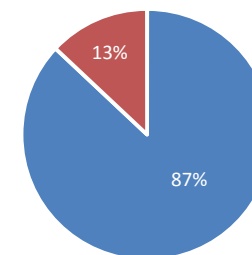

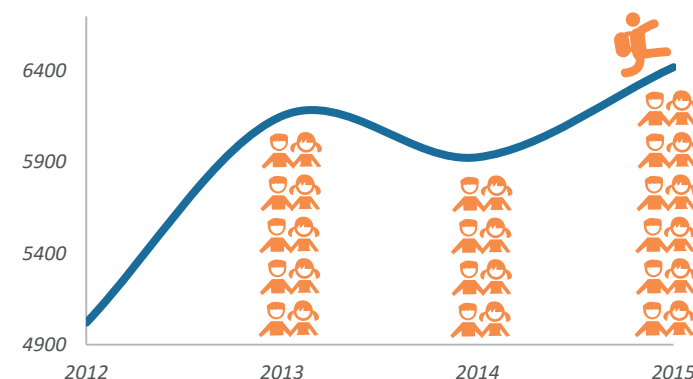

All **IEEE** and **Non IEEE** members can take on challenges in our practice community.

If you find challenges interesting you can join **IEEE** and take your chances at **IEEEExtreme 10.0 on October 22, 2016**.

IEEEExtreme in numbers

Number of student participants is **increasing** every year

Majority of students (87%) are satisfied with quality of IEEEExtreme competition.

During the IEEEExtreme 9.0 students made

73,814 code submissions

357,273 code compilation and tests
